ORDER

GREGORY H. WOODS, United States District Judge:

A status conference is scheduled to take place in this case on June 2, 2020. In the wake of COVID-19, the Court directs the parties to confer regarding the status of the case and to submit a letter to the Court regarding their respective views regarding the appropriate next steps in the case. The joint letter should set forth each of the parties' respective views regarding a motion briefing schedule, and a trial date. To the extent that the defendants anticipate filing motions under F.R. Cr. P. 12(b)(3), the defendants are directed to identify the nature of the anticipated motions, so that the Court can schedule a hearing if appropriate. The parties are directed to state their views regarding the exclusion of time with respect to any proposed schedule. The parties are directed to file that joint letter no later than June 1, 2020.

In the event that parties are able to present a proposed schedule for the litigation of this case that the Court can adopt by written order without the need for an in-person conference, and the joint letter identifies no other issues that require resolution through an in-person conference, the Court expects that it will adjourn the June 2, 2020 conference. The Court requests that the parties state their respective views regarding the exclusion of time through the next scheduled conference or hearing date in this case.

The Court requests that the parties provide an update regarding the status of the arraignment of Defendant Acevedo Molina.

SO ORDERED.
